

HAO Gold Banner Award-2007

UH Cougar Band Alumni Association receives the Cougar Gold Banner Award at Homecoming 2007

The UH Cougar Band Alumni were honored at the Homecoming Brunch on Saturday morning, November 17, for our outstanding achievements in 2006-2007 by receiving the highest constituent/club award the HAO offers, the Cougar Gold Banner.

This is the fourth year in a row the Cougar Band Alumni has been honored by the HAO for our outstanding achievements. It's based on accomplishments in six different categories as dictated by the Houston Alumni Organization's board of directors.

The categories are Membership, Student Recruitment, Community Service, Cougar Connection (networking, athletics, educational events, cultural events), Advocacy (membership in Cougar Advocates for Texas or CATS for short) and Scholarships (funding a minimum of \$1000 for students) Once again, the UH Band Alumni excelled in all six areas. Thanks to all the alumni who helped us reach our goals this year!

GO COOGS and GO BAND!!!
