

Evening at Hofheinz

Each winter, the UH Band Alumni hosts an "Evening at Hofheinz." This year (2006), we met in the band hall for a warm-up before the game with food and drink, then we went over to Hofheinz for the game (yes, walking across Cullen Blvd. with a large group of band friends brought back memories for all of us). We enjoyed deluxe accommodations in a private suite as we cheered the Cougars on to an easy victory.
